YOUTH EXCHANGE

11.11.2019 – 18.11.2019

Horezu, ROMANIA

About the organizers:

The association ALT357 is an organisation that has as purposes the development of youth, helping out those who lack opportunities, the integration into society of discriminated young people and encouraging youth initiative. Our organisation has a number of 35 members that come from both urban and rural environments, aged between 18 and 30. It is our wish that through this project, the youth will develop their abilities, attitudes and knowledge base, all of these leading to the expansion of their skill set. Our members had the chance of participating to international projects within Erasmus Plus in most European countries, having accumulated the necessary experience to engage in non-formal activities with the young people. We are working with the youth for cultural, social and economic development. We sustain equal opportunities in our present society.
